In response to the final Office Action dated June 14, 2000, applicants respond without amendment as follows:

REMARKS

In the final Action, claim 20 was rejected under 35 U.S.C. §112, second paragraph, as being indefinite. The Examiner stated that the claim is vague, indefinite and inaccurate in that there is no description or illustration of a device wherein the oscillating member has plural faces in contact with the moving body.
